

Adapting #54 Afternoon of a Faun for Kaye's MSD girls

<http://www.gracefaerie.com/patterns/pattern54.html>

For the Dress, Nymph Dress, and Tunic Dress Bodices: trim off 1/8" along the center back edge of the Dress Bodice Back.

For the Dress Skirt: I've attached some photos so you can see the length of the white Dress and the Overdress without shoes. I would cut the skirt at least 1" shorter for MSDs.

For the Nymph Dress Skirt: cut the skirt 1" shorter.
For the Tunic Dress Skirt: cut the skirt 1/2" shorter.

Use the Pantelette pattern in #51 Ginger:

Use the Newsboy Cap in #52 for Kaye's MSDs and for Nelly: <http://www.gracefaerie.com/patterns/pattern52.html>

For the Overdress Sleeve: trim off $\frac{3}{4}$ " (or more) from the sleeve length.

For the Overdress and Jacket Bodice
Front: trim off $\frac{1}{16}$ " along the center front edges.

For the Overdress and Jacket Bodice
Back: (see photo): redraw the center back edge along the fold line, trimming off $\frac{1}{4}$ " at the neck edge and tapering to the original line at the lower edge.

For the Jacket Sleeve: trim off 1" from the sleeve length.
